Kim also asked people to come up with ideas for projects that could be funded for the community. The Dog Fouling down Eelmere Lane Cowden is a real problem, highlighted in the summer months by more people using the Cowden Caravan Park. Ward Cllr Barbara Jefferson commented that where bins are needed, officers from ERYC will come and survey the locations for suitability. Shawn Mars will go to talk to the Larkham family at Cowden Caravan Park.

**Planning Matters:** 19/00616/PLF. Change of use from self-contained annexe to holiday let.

**The Annexe, The Old Post Office, Cliff Lane, Mappleton, HU18 1XX.**

**Ms J Burton. Full Planning Permission.**

Ms J Burton was present at the meeting, and informed the Parish Council that the Annexe would accommodate 4 persons with associated vehicles. There followed a lively discussion, Ward Councillor Barbara Jefferson apologised,

and left the meeting mid discussion, as she stands on the Planning Committee at ERYC, and would not be able to comment on the application.

The Councillors had no objection to the change of use to a Holiday Let, and were highly supportive of the efforts of Ms Janet Burton, but questioned the lack of parking, and the ongoing parking problems with Cliff Lane.

The members of the Public were asked to leave the meeting, whilst the Councillors voted on the application.

The Councillors voted unanimously to object to this Planning application.

**Parishioners Questions:** Shawn Mars commented on the vandalism taking place at “Suitsus” on the cliff top, Cliff Lane Mappleton, it was thought that the Soper family own this land with 2 dilapidated caravans on it. Jim Froud to check with Enforcement ERYC to see if anything can be done.

Sue Earle reported about the dyke that runs the full length of Eelmere Lane, Cowden. Sue is trying to find out who owns the dyke, as Yorkshire Water are believed to have no responsibility for it. In 1926 the dyke was listed as a public sewer, but later deeds are not clear as to the ownership. Ward Cllr Barbara Jefferson is looking into this by another request for information from Alan Petch.

**AOB:** Shawn Mars informed the meeting of threats that were made to him indirectly, after he voted in favour of a past planning application for Cowden Caravan Park, this has been reported to the Police.

In the future it was agreed that all members of the public be asked to vacate the meeting whilst the Councillors contemplate their decision, and that the vote be carried out in the form of written note by the Clerk.

If a number of members of the Public attend the Parish Council meeting, specifically to put their views over on a planning application, then this will be moved to the beginning of the meeting.

Graham Burton reported a blocked drain opposite Maple Garage, Mappleton JF to report.
